SPA PARTIES & EVENTS

TPJ's Spa Parties enable our clients to unwind and relax after a strenuous workweek. TPJ provides the flexibility for women to bond with their girlfriends, sisters, mothers, etc., while being pampered by our service providers. At a day spa, it is virtually impossible for a group of women to be scheduled at the same time. TPJ travels to our clients' homes, hotel rooms, offices, studios or poolside, affording our clients the benefit of avoiding traffic jams and parking issues.

CORPORATE / BUSINESS

TPJ has a "Corporate Live Well Program", which is designed for our Corporate clients. It's no secret that people spend endless hours working daily. Moreover, recent research has deemed the Washington D.C. metropolitan area the worst place to commute in the United States. Thus, creating added physical and mental stress at the beginning and end of the workday. TPJ can assist any company with relieving some of the stress caused to its' employees day in and day out. TPJ encourages our corporate clients to incorporate lifestyle centers in the workplace to promote stress reduction and rejuvenation. TPJ has the ability to provide services that facilitate stress reduction and rejuvenation. One of our special features, which sets us aside from our competitors is that we can assist with the design and development of a fully functional lifestyle center.
